Teachers who have received aids, hope that this program can be continued because the program really helps them to make ends meet. Since currently the Indonesian government is trying to deal with the Covid-19 pandemic, most schools are closed. Therefore, teachers have difficulty getting their salary.

I am Ernest Christ Sutantho as the organizer of Rainbow Project Indonesia to thank the donors who have donated their funds for this project. Thank you for the trust. I apologize if there are deficiencies in the implementation of this project.
